

Essential mobility in a 15.4" widescreen

HP 530 Notebook PC

More than you bargained for

Who says you can't have it all? Get the essentials that add to your productivity, not your budget. The HP 530 Notebook PC offers low-cost computing without compromising mobility. Optional integrated Wi-Fi¹ with Intel Centrino® Duo processor technology^{1, 2} lets you connect to the Internet, e-mails, news, and more. With the choice of Intel® Core™ Duo³ or Celeron® M Processors, a 15.4-inch diagonal widescreen display, and ample hard drive capacity, this notebook helps keep you connected and productive around the office and on the road—at a price tag you'll love.

Broaden your perspective

Need more of a desktop-like view? Then the 15.4-inch diagonal WXGA display has got you covered. And with its simple design starting at 2.7 kg and only 3.19 cm thin, your office can now go everywhere you go, in style.

Productivity on the move

Leave your desk and still stay productive. The HP 530 Notebook PC comes equipped with all the tools you need to carry out your business tasks quickly and efficiently. The performance provided by Intel® Core™ Duo³ and Celeron® M Processors will help keep you productive. Day in and day out, daily tasks like accessing the Internet, spreadsheets, word processing and e-mail are made easy¹. Hard drives up to 120-GB⁴ help ensure you always have enough space to keep your information, files, and much, much more.

Stay connected²

Stay connected on the go. Access the Internet and e-mail wherever you spend most of your time¹—whether you are at home, the office, or in public areas equipped with Wi-Fi access such as airports, hotels, and coffee shops.

Store it and go

Technology in tune with your needs. Data transfer and storage is quick and easy with the integrated optical drive. Choose from models with a DVD/CD-RW combo drive that allows you to watch DVD movies and record to CD-RW media, or a DVD+/-RW drive that lets you create your own DVDs⁵.

HP 530 Notebook PC
